

Subject: Part-time openings with web design and database management company.

Join a dynamic, growing web design company that understands a busy schedule!

We are looking for creative, self-disciplined individuals to join the team. Hours are flexible, usually requiring between 5 and 15 hours per week. With larger projects and clients, time may be closer to the 10+ hour mark. Opportunity exists to continue working over the summer, with hours approaching full time, depending on the client load.

Graphic Design Artist: responsibilities include, but are not limited to:

- Webpage designs
- Logo designs
- Flyers
- Marketing pieces
- Creating Websites

We are looking for creative individuals who also excel at HTML and CSS. Experience with Photoshop is required. Must be able to take designs and then create the website functionality. Attention to detail and an eye for color and design are necessary. Must be able to meet deadlines and communicate effectively.

Side Server Scripter: responsibilities include, but are not limited to:

- Creation of dynamic websites that are database driven.
- Creation of web based applications
- Creation of content management systems

Individual needs to be detail oriented, and written code must be structured, validated, and documented for ease of maintenance and use by clients. Must be very experienced with HTML, CSS, PHP or Ruby on Rails, and have experience with MySQL. E-commerce experience is desirable, but not mandatory. Must be able to meet deadlines and communicate effectively.

Public Relations responsibilities include, but are not limited to:

- Preparation of press releases
- Monthly news updates for company website
- Working with company to build exposure

Individual must have excellent writing skills and be able to meet deadlines as well as communicate effectively.

To apply, please submit a brief description of your experience and, if appropriate, samples of your work, resume (if you have one) to RJ Sherman at rsherman@crwebconnections.com.
